BELTOFT

## **PUBLIC NOTICE**

### **Safety Inspection of Memorials in Belton Cemetery and Belton All Saints Closed Churchyard**

NOTICE IS GIVEN that a safety inspection in Belton Cemetery and Belton All Saints Churchyard is to be carried out to assess the safety of all memorials.

The inspections are carried out on a 5 yearly basis to identify the memorials that are an immediate hazard or are unstable.

The inspection programme will start at the beginning of June 2026.

Where memorials are considered to be an immediate hazard the council will place a notice at the grave and temporarily support the memorial. The laying down of memorials will only be considered as a last resort.

The council will make every effort to recover the costs of making memorials safe when carrying out work in default, from the memorial owner.

Should you have any queries or concerns regarding a memorial please contact the Clerk. Full details of the memorial inspection programme can be obtained by contacting:
